EPICUREAN CHARITABLE FOUNDATION'S 13TH ANNUAL M.E.N.U.S. FUNDRAISER COMBINES FOOD AND MUSIC OF ZAC BROWN

Epicurean Charitable Foundation of Las Vegas (ECF) hosted its 13th annual M.E.N.U.S. (Meeting and Educating Nevada's Upcoming Students) event at MGM Grand in October. ECF supporters enjoyed food from 30 participating restaurants that included: MGM Grand's CRUSH, Gioia from the Cromwell, Aureole from Mandalay Bay Resort & Casino, and Zenahin Asian Restaurant from South Pointe Hotel Casino & Spa. The dine-around was followed by a performance by three-time Grammy Award-winning country sensation, Zac Brown Band, at MGM Grand Garden Arena. M.E.N.U.S. is an annual event that raises money to support ECF's primary charitable endeavor of providing full-ride scholarships to deserving local students interested in pursuing careers in hospitality or the culinary arts.
